DISCUSSION TOPIC: Tribal Administrator term
limit of one year

COMANCHE CONSTITUTION ARTICLE V, SECTION 9 & ARTICLE ____, SECTION ____.

PLEASE SEE ATTACHED SUPPORTING DOCUMENTS:

My reasoning for this Discussion Topic is simply the rate of time a Tribal Administrator has to make a difference within tribal government operations will take longer than a year to complete. I feel we are finally on a good path as a tribe and that with given more time in office, a candidate for tribal administrator can accomplish more in three years rather than one.
