

## ELECTION NOTICE

May 25, 2018

Apache Voters;

Hello Apache community tribal members! Unfortunately, due to circumstances beyond our control the Election Office regrettably announces that the Apache Polling Site will be CLOSED. There was a sewer leak at the Facility this week which contaminated the building and the Apache Community Center will be closed for up to two months.

The Election Office apologizes for any inconvenience this may cause but for the safety and health of tribal members, the Apache Community Center will not be used as a Polling Site in the Saturday General Election June 2<sup>nd</sup>. Apache Voters are encouraged to cast their ballots at either of these to polling sites:

*Lawton Polling Site* – Comanche Complex, 584 NW Bingo Road or

*Anadarko Polling Site* – 117 SW 2<sup>nd</sup> Street, Anadarko

Respectfully submitted,

*Bobbie Saupitty*

Bobbie Saupitty  
Election Coordinator
