 Comanche Nation Subsidy Assistance
 Sale of Countable Assets Statement

Non-countable assets include the elder’s primary home, trust land, one vehicle, furnishings, and personal possessions.

Comanche elders must arrange for the sale of countable assets such as extra vehicles, recreational vehicles, etc. Sale proceeds will be used in rental calculations to pay for assisted living care. A reasonable effort must be made to sell countable assets at fair market value.

Please list all countable assets:

Describe Asset	Estimated Fair Market Value

I certify that the countable assets listed above are complete and accurate to the best of my knowledge.
